

SCOTTSDALE MOUNTAIN

Description:

The Top of the Mountain! This home is on the highest street in this portion of the subdivision, the Mountain is literally right out your front door. This view is only rivaled by the panoramic mountain and city light views to the back. Be prepared for the 'WOW' feeling as you enter this home. 4 bedrooms, 2.75 baths, 2,782 square feet. Formal Dining, eat-in kitchen and breakfast bar. High ceilings, tall low-E windows, many with seamless mitered glass in view corners. 2 sided fireplace between the living and family rooms. The family room also has a built-in media niche with pre-wired Bose Surround Sound speakers. Large kitchen with 10' island, double ovens and built-in refrigerator. Master Suite VIEWS! Jetted tub. 8' patio doors to the lush back yard. Gas beehive fireplace with built-in seating. This home is on the premium View Lot that is often sought after & very hard to find. 3-car garage, water softener. Community spa & tennis courts.
